Lots of our favorite lines wrapped up in this colt. His dam is out of Royal and a full sib to RG Denmark's Black Lark. He's very elegant, with long, graceful, leg extension. Sire is by all-time favorite, Dandy. Should make a reliable family, riding, driving prospect. He's got that smooth floating trot and a calm mind to match. If you're considering him for a stallion, Jasper is registered brown but is tested homozygous black. Should easily finish 15.2+.

His sire has over 110 foals across the world excelling in all disciples and producing in well-respected breeding programs. Red Rock's dam is the last mare we retained from RG Black Dandy. She's one of our best and her foals are "pick of the crop" babies every year. Can't go wrong with this one, just need to take him home and grow him up! Should mature 15.2 ½+.

# ENROLL YOUR FOALS 'EARN MONEY' MAKE SALES WORLD MORGAN FUTURITY

What is the World Morgan Futurity?

The Futurity allows Morgan breeders and owners the privilege to exhibit quality Morgan progeny at the biggest show in the world. In the past 15 years, over \$3,000,000 has been awarded in prize money to horses in this program.

How do I nominate my horse?

Horses are nominated as weanlings. In addition o the nomination fee for the weanling, the sire must also be nominated. The sire fee need only be paid once annually for any number of

Futurity weanlings nominated that year.

What other fees need to be paid?

In April. Eligibility fees are due for yearlings, two and three year olds. Alumni fees are due at this time too, but are optional.

When can I show my nominated horse?

Futurity classes are offered at the Grand National for yearlings, two year olds and three year olds.

What if I miss the deadline for fees?

Once your horse has been nominated as a weanling, fees can be caught up with additional late fees. The last time any horse can be nominated into the futurity is April 1 of its two year old year.

What is the Alumni division?

The Alumni division is for four year olds and allows eligible horses to go another year beyond the Futurity and be shown in any Grand National class, in any division, except equitation. A horse can participate in the Futurity without being in the Alumni program, but it cannot participate in the Alumni program without being in the Futurity.

How much money is awarded?

Each weanling class initiates a new prize fund, which exists for four years. The value of the fund will be the total amount of money paid in nomination fees, eligibility fees, show fees, late fees, miscellaneous funds and added donations, plus residuals from preceding years.

What are "Auction Rewards"?

Each year, the Futurity receives a portion of the proceeds from the AMHA Stallion Service Auction. If a horse's sire was donated to the auction and wins the futurity class, the owner of that horse, the stallion owner and the owner of the dam are eligible to receive bonus money. How can I win the \$10,000 bonus?

If the horse is a direct result of a breeding purchased at the SSA, it will be eligible to compete for the \$10,000 Auction Bonus. If the eligible horse wins the futurity class, it wins the bonus. If more than one eligible horse wins their class, the bonus is split evenly. If the bonus is not won the yearling year, it carries over to the two year old year and if not won that year, it will carry over to the three year old year.

To enroll your 2020 foal, use the nomination form found on this website:

FOR BREEDERS. TO PROSPECT SHOPPERS. TO COMPETITORS LOOKING FOR THEIR NEXT GREAT RIDE OR DRIVE.

At Sunrise Stables, we make it our job to make it easy for you to discover and buy your dream horse.

Whether you're a breeder selling a promising show prospect who's future depends on a good foundation and the right placement, or a trainer who needs a fresh face with a good mind for a good client, we're in the business of satisfaction and will work hard to make both ends meet for success.

Call us or come visit and let us open the door to your success!
