All horses **MUST** have a negative Coggins test within 6 months of the sale (AGID, ELISA, or a quick test will allow entry into Canada) and health papers within 30 days of the sale. Tetanus, Flu, and Rhino shots are required to be administered and documented before the sale. If International health papers are needed, go to web site [www.aphis.USDA.gov/vs](http://www.aphis.USDA.gov/vs) or call Vet services in Pickerington, OH **614-856-4735** for any questions. All bred mares must have a Vet certificate within the last 30 days stating that the mare is in foal. Any buyer of a bred mare who is uncertain of her being in foal must have her Vet checked by the sale Vet before she leaves the grounds. If she is bred the cost of checking will be paid by the buyer. If the mare is not in foal the cost will be paid by the seller.

## ***Check In***

No horses will be allowed on the grounds without proper health papers. Horses arriving must be taken directly to the sale office to have their paperwork processed. Sale numbers will be assigned and horses can be stalled. Be sure to send your health papers with your shipper if you plan to send the horses ahead of yourself. ## ***Hay, Bedding and Feed***

## ***Registrations***

All consignments to the Buckeye Morgan Horse Sale LLC are required to be registered. The sale also requires that all original registrations and signed transfers be in place before the horse goes into the sale ring. Catalog number of the horse is the sale order. The seller guarantees the identity of each animal as it appears on the registration certificate. All horses will be transferred to the person indicated on the sales slip. Cost to transfer ownership of the consignments to new owners will be deducted from the sale proceeds. Buyer will be responsible for any additional transfers. Title passes at the fall of the auctioneer's hammer, at which all risk and responsibility for the horse passes to the buyer.

***Buyers: All sales are final.***

## ***Terms***

All consignments must have a new halter and lead rope, otherwise the sale committee will supply one and charge the seller for the cost. No horse will be allowed to leave the grounds without a checkout slip indicating full payment. All horses must be removed from the barns by midnight Saturday evening, the last day of the sale unless other arrangements are made with the sale committee. All sellers are responsible for their horses until the time the gavel falls, after which the buyer is in full responsibility. The sale committee reserves the right to reject any horses for any reason, including but not limited to: unsoundness, poor condition or improper documentation of registration or health papers.

## ***Warranties***

Ages, heights, markings and physical conditions are approximated and not guaranteed. It is the responsibility and obligation of the buyer to examine the horse before he bids, as ALL sales are final. In case of typographical errors or other errors are discovered, the auctioneer will announce them, which will take precedence over the printed catalog. Buyers are therefor cautioned to pay attention to the auctioneers announcements.

## ***Buyer's Payment***

Buyer shall pay for the horse(s) prior to the conclusion of the sale by one of the following means: cash, approved personal check, money order, cashier's check, traveler's check or credit card. Presentations given in writing by the consignors to the sale committee will be announced at the time of sale as though by the consignor. Any claims made based upon said presentation, guarantees, or omissions, shall be made against the consignor only and not the sale committee or any persons related to the sale. Sellers statements will be announced at the sale.

## ***Liabilities***

*As a May, 2021 foal, Last Look is big and strong for his age, and still may be growing. He is naturally athletic, easily trained and likes to go to work. His pedigree is an interesting combination of old and new bloodlines. His dam comes from strong New England stock and is full sister to Equinox Rock Star, Equinox's dynamite young Park stallion. Last Look's sire, Hollybrook Stage Rage, is well known for producing champions in the show ring and offspring who are making their own reputations in the breeding shed. The AMHA registry lists TRSW Last Look as the last horse produced by this famous stallion. His diverse pedigree, with no crosses to Noble Flaire, makes him a quality outcross from the predominant sire lines frequently seen today.*

SYMO-LIFE HORSE MINERAL

Treat your horses to the very best!

Why should I feed Symo-Life Mineral?

Since every horse has individual requirements which may not be met by one ration, Symo-Life Horse Mineral is designed to compliment your ration and enable that individual horse to meet its requirements.

Feeding a balance of vitamins and minerals will help maintain body condition by better feed utilization and will also help maintain proper hoof texture.

By feeding Symo-Life Mineral you encourage maximum growth and performance for all your horses.

"I believe that Nutra-Glo™ is the most complete horse feed supplement I have ever used. We see less soreness, less hock problems, less wind issues, less coughs, and less vet bills. I would also highly recommend this product for weanlings and yearlings. It helps them digest the food they eat better, put on the pounds, and develop into sound young horses."

you might not see us at the shows.  
But we're still out here with the cows and kids  
out where God's things grow.

Since '69 these magnificent Morgans  
have been working by our side.  
We're beholden to them and all of you,  
for this amazing and wonderful ride.

*We're still working hard to produce the loving, sensible, versatile, keepin' kind of Morgans that will work for you. Take a peek and you can find them building breeding programs, working on farms & ranches, navigating trails and quietly driving down country lanes, packing on mountain sides, and looking pretty in the arenas and show rings. We're expecting a fine crop of foals this spring and we hope you'll consider partnering up with one of your own.*

# LET'S GET BACK TO BASICS IN YOUR BREEDING PROGRAM.

**TFM SKYWALKER** (CWS Silver Dollar x KMS Covergirl, by Gas and Fast Time)  
25% blood of Kingston, COI=1.5%. A sport horse with wins in Endurance, Jumping,  
Carriage & CDE. 50% chance of a gray foal.

Photo: [www.5starstables.com](#)

With so many Morgan stallions available, it's difficult to make breeding decisions. We've found the Percentage of Ancestor's blood and Coefficient of Inbreeding (COI) to be reliable methods of producing the type of foal you want.

We have frozen semen from these featured studs and are offering it at the introductory price of \$500 US (plus shipping from Equine Fertility Specialties in Williamston, Michigan).

All have been proven to produce pregnancies.

**SHANGHAI** (Forevermore x CT Ginger Lee BHOF, by Fleetwing's Major)  
19% blood of Mr Breezy Cobra, COI=3.8%. A full brother to multiple  
World Champions Another World & Noteworthy, and the sire of  
futures in hand, dressage, hunt & western pleasure winners.

**ALSO AVAILABLE:**  
**TFM PROMISE ME THIS** (UVM Abington, by UVM Promise x None-such American Beauty, by TVM I Promise) 38% blood of UVM Promise, with an incredibly high COI=14.6%. An up and coming 2020 boy with that "Look at me!" attitude. (NOT PICTURED)
